

Privacy Statement of Energy21 BV

25 May 2018

During the processing we conform to the requirements of the applicable data protection legislation. This means we:

- **clearly specify our purposes** before we process personal data, by using this Privacy Statement;
- **limit our collection of personal data** to only the personal data needed for legitimate purposes;
- **first ask for explicit permission** to process your personal data in cases where your permission is required;
- take **appropriate security measures** to protect your personal data and we demand the same from parties who process personal data on our behalf;
- **respect** your right to inspect, correct or delete your personal data held by us.

Energy21 BV and its affiliated party GEN BV are the parties responsible for all data processing. In this privacy statement, we will explain which personal data we collect and for which purposes. We recommend that you read it carefully.

Statistics and profiling

We keep statistics on the use of our profile website. These statistics help us to, for example, only show you information that is relevant to you. We may combine personal data to get to know more about you. We will of course respect your privacy at all times. If you do not want us to do these statistics, please let us know.

For this purpose, we use your country and ip address. We have a legitimate interest in doing this. We store this information for three months.

Contact Form and Newsletter

You can use our contact form to ask questions or make any request.

For this purpose, we use your email address, phone number and name and address details if provided by you. We need this data because of your consent and to respond to your need. We store this information until we are sure that you are satisfied with our response and three months thereafter. This way we can easily access the information in case you have any following questions and train our customer service to improve even more.

We have a newsletter to inform those interested of our products and/or services. Each newsletter contains a link with which to unsubscribe from our newsletter. Your e-mail address is added to the list of subscribers, only with your permission. We store this information for three months after you cancelled your subscription.

Publication

We will not publish your customer data.

Providing Data to Third Parties

Except for the parties mentioned above, we do not under any circumstance provide your personal data to other companies or organisations, unless we are required so by law (for example, when the police demands access to personal data in case of a suspected crime).

Our website features social media buttons. These buttons are used by the providers of these services to collect your personal data.

Statistics

We keep statistics on the use of our profile website

Cookies

Our profile website makes use of cookies. Cookies are small files in which we can store information, so that you do not have to fill that information again. We can also use them to see whether you are visiting us again.

The first time you visit our profile website, we will show you a notification explaining our cookies and ask for your permission for the use of these cookies.

You can disable the use of cookies through your browser setting, but some parts of our website may not work properly as a result of that.

Google Analytics

We use Google Analytics to track visitors on our website and to get reports about how visitors use the website. We accepted the data processing agreement from Google. We don't allow Google to use information obtained by Analytics for other Google services, and we anonymize the IP-addresses.

Security

We take security measures to reduce misuse of and unauthorised access to personal data. We take the following measures in particular:

- Access to personal data requires the use of a user name and login token
- We make use of secure connections (Secure Sockets Layer of SSL) to encrypt all information between you and our website when entering your personal data
- We are ISO 27001 certified

Data protection officer

We have appointed a so-called *data protection officer*. This person is responsible for privacy matters within our organisation. Our data protection officer is E. Baijings and is available by e-mail (eugene.baijings@energy21.com) or phone (030-6706660) for all your questions and requests.

Changes to this Privacy Statement

We reserve the right to modify this statement. We recommend that you consult this statement on a regular basis, so that you remain informed of any changes.

Inspection and Modification of your Data

You can always contact us if you have any questions regarding our privacy policy or wish to review, modify or delete your personal data.

You have the following right:

- Being informed on which personal data we have and what we are using it for;
- Inspection of the personal data that we keep from you;
- Having incorrect data corrected;
- Request to delete outdated personal data;
- Revoke your consent;
- Object to certain uses.

Please note that you always make clear who you are, so that we can assure that we do not modify or remove the data from the wrong person.

Complaints

If you think that we are not helping you in the right way, you have the right to lodge a complaint at the authority. For The Netherlands, this is the Autoriteit Persoonsgegevens.
